“ My favorite memory of my Grama was when I shared a wall with her the past 7 years. Every night I would say goodnight to them and I would give them each kisses on the cheek and they said they loved me. Then, I would close my door and lay in bed for the night and when they finally went to bed I would hear them through the thin wall say “I love you.” to each other before closing their eyes for the night. It’s the little things that matter the most. ♡

“ Rosemary was always smiling and so sweet! Many memories of staying over at Tina and Dee Dee's and the Horvat home. It was my second home. Your mom was always cooking up something delicious! Never a shortage of food. I always remember rearranging the family room furniture and your mom and dad coming home and never saying a thing! Love and hugs to you all!
