

Ruben A. Vargas

December 4, 1965 - January 4, 2022

Ruben A. Vargas, age 56 of Schererville, Indiana, passed away suddenly due to Covid on January 4, 2022, at 2:48 p.m. Ruben's wife and children were by his bedside during those last moments while also allowing his siblings and loved ones a chance to say their goodbyes as well. He was born on December 4, 1965, in East Chicago, Indiana to Ruben D. Vargas and Linda Castellano-Vargas. Ruben was an amazing man, father, husband, brother, uncle, son, father-in-law and friend. He was a graduate of Calumet High School and Ivy Tech. Ruben was a member of Pipefitters Local No. 597 and a member of LAMA Latin American Motorcycle Association. He is preceded in death by his father, Ruben D. Vargas and his sister-in-law, Trina A. Vargas. Ruben is survived by his loving wife, Michelle L. Vargas; his four children: Paige N. Shaffer-Vargas, Angel D. Vargas, Dominique R. Vargas and Julian T. Vargas; grandchildren: Camilla J. Evans and Camille R. Evans; his mother, Linda (Leland) Vargas- Curtis; his siblings: Linda (Phillip) Lopez, Jesse (Amanda) Vargas, Reynaldo (Trina) Vargas, Precious (Anthony) Perez, many nieces and nephews.

Words from his loving wife: Twenty-eight years ago Ruben and I were just strangers. Not long after coming into each other's lives, we fell in love. Our love was and will be everlasting. From our marriage, kids, families, and our memories, I know you will continue to push us on and protect us. As the past fades and the present goes by in slow motion, I know the future will continue on, yet I do and will always love you. Thank you for being my soulmate, the

most amazing father to our kids, and nonetheless having the biggest, most open heart to each and every one of us.

Words from his loving kids: You've always taught us to accept anything that comes our way, a memory, story, lesson or simply what life has in store for us. Behind your tough front, you were an absolute teddy bear to each of us. We love you, our Big Chunky, Fool, Big Sissy, the LAMA Godfather, and the best Father to us all.

“ *My Uncle Ruben was the one I'd warn my boyfriend and friends about. I always told them if they met him, don't be intimidated. I told them that he may look tough but he was just a big softy. But he wasn't the one to mess with either. He was there for me when I needed family most. And he was always the first one to mess with me, my two other uncles joining in right after. I can truly say it makes me happy knowing I was one of his favorites to bully: and it made me happy to bully him back lol. To my strong ass cousins, it's not going to be easy and there's going to be so many times you guys want to give up. But your dad would want you to keep going. I'm always going to be here for you guys, no matter what. I love you guys. Godspeed*

“ I didn't know Ruben well enough to share a great story but I can share that Ruben always greeted me with a smile and he was always happy to see me. Such a kind man. I will still be looking for his face in the crowd. May he rest peacefully knowing he was loved by so many. My condolences to the family.

“ A great man has left us. He was kind, funny, and supported me and his cousin Maggie when our daughter passed. He will be missed. Will remember the times he would come to Texas and visit us. Though he said he hated Texas he would still come to see us. They say they always take the good ones, and they did when they took Ruben. May he Rest In Peace, and his family have the strength to get this difficult time.

“ Ruben, you was one of the first, who welcomed me into your family. At my wedding you told me to take care of him because he has been waiting so long for the right one to be with. And I thanked you for always being there for him because Art, always talked about how smart you was and you could fix anything. You always made the time to visit us when we traveled to Indiana, it's funny that my sister Becky and Mike , even started calling you little Ruben our nephew.. I know visiting Indiana, will never be the same now. No one understands why you were chosen to go home , but eventually we all will . So we don't question why, or what if? Only the lord knows. You will be truly missed Little Ruben , you was one of a kind ... Rest In Peace ... love you always Art and Vicky Castellano . 🙏 Until we see each other SISSIES! That something you would say!

I will always have and remember, the last time uncle Frank and I saw you. it was a beautiful day in summer. You saw us at a gas station on 61st ave. and came up to our truck we talked and laughed for a while. You told us where you lived and that we should move out there. We said our goodbyes never thinking this would happen. We told Frankie of your passing he couldn't believe it .He always thought of you as a good cousin and friend, may you rest in peace Love always your aunt and uncle Frank and Gloria "China" and the Flores Family. God Bless..
