“ My association with Ruby was as the listing real estate agent when she sold her home and moved into Wittenberg. She was a friend of Louise Kincy who referred me to her. I was soooooo impressed with her energy and optimism...she reminded me of the battery commercial...\"she just kept going and going.....\" She always had a story to tell me about the stray cat..cats...that she fed on her back porch. She was always cordial, co-operative and pleasant to work with. She took me to see her new home and seemed happy with her decision to move there. Please accept my sincere sympathy.##imported-begin##Joyce Wisthoff##imported-end##
