“ Ryan and Danny met in elementary school, became fast friends and spent a lot of time together over the past 20 plus years. He was a polite boy. Every time he came over, he greeted me with a hug and "How are you doing, Mrs. C?" He grew into a polite young man and greeted me the same way but the Mrs. C turned into "Hi, mom." He always found me to give me another hug and to say goodbye before he left. After high school, I didn't see him as much but when I did, I got the same greeting, "Hi, mom, how are you doing?" Always the polite young man. He will be missed but he will always be in my heart. Janet Cullison
