“ Sam was our errand runner here at the Hobart Cleaners. He would make food runs, go across the street to Chase bank to get change for us, go to the store. He was a great person to be around and will be truly missed by us at Hobart Laundromat and Drycleaners. R.I.P Sam

“ Sammy was always there for me and Victor when we were kids. If it was giving us rides when the parent's were not available, working for him, or him being our little league coach. We loved him dearly and he will be missed.
