“ When Sam told me that him and Linda had gotten married I didn't believe him. :-) This was when Linda worked at CresAmir golf course. I was in a golf league and would see Sam every week and I would ask him every time to tell me the truth. Sam gave me that Fields smirk and a little giggle and I didn't know for sure that they were married for about a year. One time Sam would say they were married then at the end he would say he was kidding. RIP Sam and say hi to Bruiser and Jimmy.
