“ *My deepest sympathies for all of Sandy's family, especially Don and Mike. I had the privilege of knowing her as I used to live next to them in Hobart. She was so bubbly and just a great lady. She will be deeply missed.*

PS

Sandi, you are a wonderful sister. And I miss you now as I have always when we are apart. The photos from La Vegas, Lake Tahoe and anytime we all flew or you came here will be cherished for the rest of my life.

There has never been a kinder, heart filled human. Which you showed to every animal and human whom was honored to meet you.

I am so sorry you had to fight for so many years, but we are glad you did so we could enjoy your love.

You have taken a piece of my heart, but what a better life I enjoyed because you were my sister.

*Love and miss you,
Flipper chipmunk*
