“ *We are so sad to hear of Sandy's passing. What a big hearted, wonderful, hard-working woman. My son, Johnny, attended Sandy's school of dance for a few years in the mid-2000's. I also have a connection with the family as I babysat Linda's boys in the mid-80's while I attended college. We have great memories of the dance class and recital. We offer our sympathy and prayers.*

“ I have a life time of memories of Sandy. I met her even before she came into this world when her mother, my sister put my hand on her tummy and said "Feel the baby kicking!" Sandy was already dancing! She was so special in our family, the first grand child, the first niece. She was a loving caring person, devoted to our family, She brought much joy into all our lives and was especially kind and caring to her grandparents in their later years. As I grieve for her I also recall all of the happy times we shared over many years.

Sandy also touched many lives through her dance classes. She was a gentle teacher, always speaking in a soft encouraging voice. Mothers marveled at her ability to bring out the quiet, cooperative side of their children during dance lessons.

She will always be with us in our hearts. Sandy was like a little sister to us, her aunts.
