Sebastian Bocanegra, 25 years old, born August 11th, 1995 of Crown Point, IN passed away unexpectedly on Friday, April 23rd, 2021 after a tragic accident. He is survived by his mother and father Chelo and David, his brother and sister Andy and Samantha, his paternal grandparents and many aunts, uncles and cousins. Sebastian was the definition of a free spirit and lived his life absolutely on his own terms. He was extremely devoted to family and had the love of all who knew him. “ I met sebastian at a music festival in ohio in the summer of 2015. Him and his gf at the time kelly camped next to my goofy friends and I , we showed up with nothing but a tent and good vibes. Sebastian and kelly took us under thier wings, fed us blueberries in the hot sun from thier cold cooler. Sebastian and kelly would come back to thier camp often to find my friends and myself sprawled out under thier shade tent, it was so funny because we felt bad at how intrusive we were to thier camp, but they loved our company and every year, month and week since I was talking to sebastian, I miss him so much. I miss you tons already and thier hasent even been an instance just yet where we would normally bump into one another.

“ Sebastian was the embodiment of the free American spirit. Many of us hope for this but never achieve it like he did in so few years. He will be missed but never gone from our hearts and memories.

“ I can say one thing about Sebastian, even though I never knew him personally: He was deeply loved. His dad David could not mention his name without the listener hearing the pride and joy Sebastian brought into the family's life.
