“ We were saddened to hear of Shane's illness, that someone so full of life would be stricken was hurtful to learn. On a personal note, I am sorry I never had a discussion on Star Trek with Shane. It seems he was quite the fan, and I admired him for it. He was always a fun member of Trivia contests we attended together and would often join us for after-game campfires. I enjoyed sharing a passion for fishing with him and I know he will be missed dearly by Mike , in that regard. He always gladly shared his knowledge of angling and was a responsible sportsman. Blessings of comfort to Dee and family now and always. RIP Shane.
