“ Our sincerest condolences to Aunt Sharon’s whole family. She was a wonderful heartwarming person! My memories of her were receiving special hand crocheted gifts throughout the years, and more recent a FaceTime with her and my family a few years ago where she explained to us in detail how to make pierogi. Her pierogi were the best I ever had in my life. I’m hoping she now is dancing with her sister, my Mom, up in heaven.  
Love, Karen Vandermark (and Jim Boyer)

Al's sister Sharon was a good person. She had taken care of her dad for many years. Her family was huge and that's the way she liked it. I remember her being crafty with crocheting especially. She is in a better place now joined by her mom, dad and sister Joan. We'll miss her.
