“ I had the privilege of working with Sharon for 12 years at USS Family Medical Center during that time we became great friends as with many other co-workers for Sharon was an easy person to love. She always had a smile and a hug on our morning greeting We all Shared a huge loss with her, her beloved daughter. Life was never the same for Sharon after that, until now. For she is now reunited with her daughter and other loved ones. So rest in peace our dear friend. Thank you for the sweet memories you leave with us.
