She proceeded to tell me that she missed making videos with him and she missed how he would hold her and tell her that she couldn't go home! I asked her what do you miss about Nana and she said “Everything “! Oh Mom, it warmed my heart to know she has wonderful memories of you and Uncle but I sure wish we could have had longer together! “ Happy 1st Thanksgiving in Heaven Mom! Hardest thing about today is starting it knowing you are not with me ! Today I start my day missing you so much but I am so grateful that I was raised by someone that was so strong, brave, kind and honestly had the best qualities that a person could have! Everyday I see how I am more like you than I ever knew! I was just telling Aubree that I asked God to please let her be old enough to remember you and he answered my prayers! She has wonderful memories of you and Uncle! I hope you enjoy your Thanksgiving with Grandma, Uncle, Ashley and all of your family and friends today but most importantly it brings me comfort to you know you are at peace ☐👍 I love and miss you so much Mom and although you are physically not with me , you are forever in my heart ❤️

“ Good morning Mom,
There isn't one day that I don't think of you! I miss you so very much! I unfortunately know now how you felt losing your mom! It truly is hard to put a smile on your face or even be happy! 💔 I'm very grateful you are now in a wonderful place that I personally imagine being beautiful and of coarse you are with all your loved ones and in no PAIN! 💕💕 What a wonderful thing! Of all people mom you deserved to be at peace! It was the hardest thing ever to tell you I would be okay but I know you fought so hard over the years for me! You knew how hard it would be and you were so right! But everyday I wake up and I try to live my life and be the person that I know you would want me to be because honestly I wouldn't be half the person I am today if it wasn't for you! I love and miss you forever and always ☐👤

You will never be forgotten Mom ❤️ You will forever be the best Mom and Nana to us and you will forever be in our hearts!

“ There are so many different memorable moments that not only did I share with you kids (look at me calling us kids!!), but the times I'd either hear my Mom (Linda) and Aunt Sharon talking on the phone, or listen to my Mom tell me how everyone was doing after she had talked to Aunt Sharon. We are very blessed to have had, and to still have, such wonderful women in our families.

Now Sharon and Mom are together again, along with many others. I can just imagine the joy they each have when welcoming another from a time once before.

Love always to you all.

May each day bring good memories that hug you when the harder days hit. And may the days get lighter with each day hereafter. God be with you today, and forever more.
