“ *Shawn, I love you so much and I am so proud of you and what you have accomplished. You were an amazing man and father to Evan and Averie! I promise you that your children will be taken care of and your memories and love for our family will not be lost or in vein. I always looked up to you and was always proud of you growing up. Many of my friends adored you and wanted to meet you. I remembered going to your baseball games and rooting you on as you pitched. I am so thankful that I was related to you and got to know who you truly are. Evan and Averie will be loved and our families will come together and raise them right. I love you cousin/brother and you will never be forgotten. Ohana!*
