Born September 3, 1972, Nicki attended school in Hobart and Merrillville, graduating from Merrillville High School in 1991. Following graduation, Nicki moved to Crown Point and worked at Alpha Learning Center for many years. She loved working at Alpha, and adored her boss, Mrs. Parker, who said that Nicki was her best employee because she was never late, never argued, and always did what was asked. After Alpha closed, Nicki spent another many years volunteering at Eagle Park School, assisting in the Life Skills classroom and swimming pool. In her teens, twenties and thirties, Nicki competed with Special Olympics. Her favorite sport was swimming and she won a great number of ribbons, medals and trophies despite never putting her face in the water. Nicki loved music, especially country music and Elvis, and she never missed an opportunity to sing karaoke. She was Notre Dame football's biggest fan and watched every game.

Nicki is survived by her parents, Penny and Paul Allen, her sister, Emily Allen, and a large number of aunts, uncles, cousins and friends. To know Nicki was to love her. She made an impression with everyone she met. She was sweet, kind and funny.
