“ I just found out about Shirley's passing and want to extend my sympathy to her family. I worked with her at Suburban Heights Medical in the medical records department and we had such fun with her all the time. She was sweet, kind and always in a good mood. Rest now Shirley. Nancy S

“ She was a ball of fire that sometimes made her children say "That's my mom." She could be loud and loved being the center of attention but also very loving and loved to smile. She went out of her way to make people laugh. She will be missed by her family and everyone that she touched.
