“ Stacy was one of the most genuine people I have ever met. I actually met her during a time when our lives were in the darkest of dark. She never missed a beat with that beautiful smile though. I only have a little over 1 1/2 years of memories with her in person, but we still communicated thru Facebook and telephone. I will miss her tremendously. Prayers to each and every person that had the PRIVILEGE of having Stacy in their lives. RIP my dear friend. Your legacy WILL live on.....
