“ Having not heard about Stan's passing until the day of the funeral, I was truly shocked to hear of his passing. I can say that he was a truly nice person. He helped our St. Elijah Hall and church so much both physically and financially. I can remember when I was manager of the St. Elijah Hall, Stan would have his company's Christmas parties there and it was always a pleasure planning these events with him and Janet. One time I happened to casually mention to Stan that I needed to clean the chandeliers in the hall but didn't want to get up on a ladder to do that. The next day, he delivered a bucket truck and showed me how to operate it and what a help that was! I will truly miss Stan and pray that our Lord accepts him under his wing as a true and faithful Christian who loved his church and people. Vjecnaja Pamjat!
