“ *I loved eating at Delta- they had my favorite lemon rice soup. My sister Karen used to work for Steve years ago and he never forgot her. He made sure to say hi every time we went there on our lunch break and he would always joke and tease that I was the older sister and say that I was actually my sister's boss (she was mine). He always made us laugh and always made sure we were happy with our food. He really took pride in his restaurant, I was so heartbroken for the family when the restaurant closed and am even more heartbroken now for the family to have lost such a good soul. I'm so very sorry for your loss.*
