“ I love you dad, I miss you so much, I’m just posting here because I need to get it out. Things are not the same and I miss your smile and laugh, and telling me how 25 years is a drop in the bucket. Wish you could be here to see me grow still. I’ll forever be thinking of you and when I look up. I’m sure the view from heaven, beats the hell out of mine here. I love you so much.

“ Farewell my Loving Brother
Now that you are gone you are no longer here to share the bond we
had together.
A bond of love and care
You left us
early in the day
with no time
to say a last sweet goodbye
The angels bid you join them
And you went quietly on your way
Farewell my loving brother
We will shed our tears for you
And hang our heads in sorrow
To be left behind and blue
Farewell my loving brother, you are in the arms of love
May heaven's spirit bear you upward to God's Kingdom up above
Farewell my Loving Brother, how I loved that little boy
Who sometimes made me mad, but was always full of joy
Farewell my Loving Brother
Though your voice on earth is still
You have not sung your last song and it remains in my heart still
They say that love never dies
And so perhaps neither do the loved

“ *Dad, you will always be missed and it seems surreal still. I feel like I could still talk to you anytime or just see you. I miss you so much already and words will never truly express how much I feel that I will miss out on. Alex, Lucas, and I love you so much and we know you will always be with us.*
