“ So sorry to hear of Steve's passing. We were next door neighbors on Fillmore Street. We had lots of wonderful times together. Our family spent many hours watching TV at their house. They were a very loving family and we couldn't have asked for better neighbors.

“ Steve was my first cousin and by far the best athlete in our family ever. Even to this day people that I know that played baseball with him still say that they were afraid of him when they had to bat against him. It was a family day out to go to West Glen Park and see Steve as well as Frankie his brother pitch. Of course it didn't hurt that my aunt nilda novena ran the concession stand and definitely took care of our sweet tooth. May you rest in peace Steve take it easy on those boys in heaven with that drop curve

“ Steve will always be loved and we will never forget his love and kindness. I will always remember him for all he was to the world and how much he meant to me personally. I'm heart broken that we will no longer have him, my only comfort is knowing he is in a heavenly place that he could have never imagined, the love and home God has provided for him. I will one day meet him at heavens gate and feel his laughter and presence again. We love you Steve and you will forever be in our memory and hearts 💕💕

“ Continuing to lift each of Steve's family up in prayer. Steve's passing was entirely too soon, but my heart is thankful to know that one day we will meet again.
