“ Dear family, I was fond of Steve Altomere or "Uncle Steve" as I grew to know him.
You have my sympathy.
His nephew, Joe Altomere, & I went to school since 3rd grade and graduated together from Hobart High School in 1966. We also both attended Vincennes University together along with John Vahary. Joe's family was like my family.
My most recent memory of Uncle Steve was at Calumet Park Cemetery. I lived in Clinton, IN and came "home" to Hobart & visited my parents & family graves. I was at "Grandma Mione's" grave when I saw Uncle Steve carrying a bucket of water to put on the flowers by her grave. I asked him if I could help carry the bucket since I could see it was heavy. He said "no, but thank you". He asked what I was doing there. I told him I had stopped there to see the graves of Grandma & John & family. Lot's of fond memories. That was several years ago, but still lots of fond memories of the Altomere, Vahary, Kos, Mione, etc families.
Sympathy & Prayers for all of the family. Ron Archbold

“ There are far too many memories to just share one; from spending the night at Aunt Mary's and Uncle Steve's during the marathon card games, going boating at the lake, to the many family get togethers etc.... I'm so happy that Dava and I were able to visit with them a few days before his passing... We love you and will miss you... Our prayers are with you and with all who were a part of your life... Love your nephew Michael and Dava...
