“ *As I'm writing this I still can't believe my grandma is gone. She had such a beautiful heart and soul. She truly loved her family and enjoyed all of us gathering for the holidays. One of my fondest memories is of my grandma and I planning my wedding. I can still here all the laughter and advice. Her beautiful smile and heart will remain with me forever. I truly love you nana.*

I'm so sorry for your lost ! She was a beautiful soul . I was her caregiver for about 2 months until August when she passed. She was so sweet and talked about all her grandkids & children . She showed me pictures and we use to just sit and talk and talk . Again I'm sorry for your lost and hope you God continues to help your family through this time .
