“ To my loving sister, my heart heart breaks but my spirit rejoices! You have met your goal and are now in presence of the Lord. You not only LOVED ME BUT WAS ONE OF MY BIGGEST ENCOURAGER. Even tho sometimes when we were young, I wasn't always the nicest brother. Like the time we played hide and go seek and I jumped out from behind a bush and rubbed a handful of leaves in your face and ran off. Only to find out a few days later when your faced broke out in a rash and swelled up did we find out that it was poison ivy. 😂 and you still loved me. ❤️ You always told me that you were praying for my healing. I MISS YOU and when we meet again I will RUN AND GREET YOU AND MOM AND DAD WITH A HUG SND A KISS!! Until then, your loving brother Jerry.

“ to the most beautiful soul ever ,

you are truly the most amazing person i have ever met and i was just blessed to get to have you as an aunt , but not only an aunt but also like you would say to be the daughter you never had . your kindness taught me that no matter what you can always be kind . your love taught me that no matter what you can always love people unconditionally . your thoughtfulness taught me that even a call or even a text means the most . your strength taught me that no matter how hard things get you just have to fight through it and put your faith in god and the best will come out of it . you're more than words can describe from amazing to considerate to compassionate and so many more .

*i love you forever .
may you rest in peace beautiful .*

“ How I already miss my sister Sue. She was such a loving caring person, who reached out to everyone, those she knew and didn't know. She knew no strangers and GOD brought so many ladies into her life, who became like daughters and sisters to her. She shared GOD's love with each of them and invited them to go to church with her. She was a blessing to so many and she was loved in return by many. She was faithful to text and to call Paul and I. We shared our joys and our disappointments and we laughed and shed tears together. She radiated the love that she had for her JESUS, sharing HIM with everyone wherever she went. My “Sister Girl” is now in the loving arms of her heavenly FATHER and I know that HE greeted her with these words, WELL DONE MY GOOD AND FAITHFUL SERVANT, MY PRECIOUS DAUGHTER. I rejoice with my sister Sue because she is where we all want to be one day but my heart hurts because there won't be any more laughing, crying, sharing, no more hugging. I love you Sue, my dear “Sister Girl”.

“ I remember when Sue and Rich started dating. She would talk to me about it and giggle like a school girl. Just a great memory that I think of every time I think of Sue.
