Sue is my husband's (Don) sister-in-law. She was a great friend and my confidante. She was sensible, gentle and practical. I will miss her terribly.

Chris, Jen, my heart goes out to you both, as well as for Rudy, Jeff, Becky and Ryan. Don and I will always be available if you need us.

“ Chrissy and Jenny, we grew up together and our families were close. Your dog hated me but I'm forever grateful for having the opportunity to know and love such great friends. Your mom and dad were so down to earth and loving people. So many memories to share. My heart hurts for you both, things like this are never easy but I truly believe your mom, and dad, will always be with you. Since my mom and Nick passed away I have been blessed with a few experiences that let me know they are just fine. This is what I pray for you two. Much love and hugs my friends 😊
