“ As a very underclasssman Sue always treated me well. She didn\'t have to under the rules of HS at that time but she did. From my view she had everything and she still said hello. Fond memories of a fine, fine person. I vote to clone her as she was invaluable as an example of just how wonderful a person could be.##imported-begin##Bob Bardos##imported-end##

“ *Kristin and family,
God gave me the GREAT pleasure of meeting your mother. I feel blessed to have been called her friend. She was an inspiration to everyone she came in contact with! There were days when you could plainly see she wasn't feeling well and she always went out of her way to make sure you knew she was more concerned for you. I will miss her smile and the way she valiantly defended her Cubbies!!! My prayers go out to all of you! Patty :) xoxoxs Sue!!!!##imported-begin##Patty Bultema##imported-end##*

“ *Your mom will be missed dearly, I enjoyed all the time I spent with her at dialysis and most importantly I knew that she enjoyed her time with me and asking about my wife and kids. I'm glad to call your mom my friend, and thru her I got to meet you kids (Kristin, Larry and Megann) and become friends with you! God has a new friend now. I'll miss you Susan.
