“ Dearest Denzel 😞, Merv and I were surprised when I read that your wife, Susan, had passed. We never formally met her, but Susan must have been a fabulous woman (RN, etc.), and particularly patient person (being married to you 😊😊) ! God be with Susan - and also with you and all of your family 🙏 . (Say hello to Hilary and Emilie from me). —. Your friends, Bonnie C. Cowsert Wood and Morris M. (Merv) Wood

“ My deepest condolences to her family. I'm so very sorry for your loss & am incredibly saddened that she no longer blesses this earth with her love & caring spirit. I was in the HIT program with Susan at IU. She was a lovely woman & I truly enjoyed getting to know her. I'm adding some photos of her from when we went to a convention with some of our classmates, in 2007, for school. I'm so sorry I missed her memorial service, however I just found out about her passing.

“ *To Denzel, and the entire family we send our deepest condolences,
you are all in our thoughts and prayers. I already miss my dear
friend. We shared so much in our 40 plus years of friendship, but
the last 6 months are what I will hold deepest to my heart. Until we
meet again, Sue our memories together will have to fill the hole in
my heart. Love you.
