Papa, you were the best grandpa I could ever have. I can't believe you are gone, I wish I could have said goodbye. You were such a great young man. You were the best grandpa ever. No matter what it took you still tried your best to stay healthy and alive. The struggle was very hard to keep fighting for you! It would have been very hard to just keep going. We all love you so deeply very much. I'm sorry it had to help that way. You are in everyone's thoughts and prayers! Love you papa, love Shelby
