“ *Sending hugs to you and your family to comfort in your loss. I think of Crick as always ready to help family or friends, being there to listen and offer a kind word, and sharing that infectious laugh. Many memories of laughter and childhood. I will miss my sweet cousin.*

“ *Words can't express how sorry I am about Crick's passing. He was a true gem and will be sorely missed by all who had the privilege of knowing him. Crick possessed the knack for telling jokes and every time we would get together he would always keep me in stitches with his countless tales of humor. I loved to hear him laugh--it was so contagious! So grateful that my husband and I were able to see him about a week before he passed. Crick still managed to tell a few jokes to us on that day. Although physically you aren't with us, my dear friend, your spirit will remain in all our hearts for ever! Love you!*

“ *My deepest sympathy for your loss. Cricket was such a great neighbor. I will never forget struggling with my lawnmower after a long, hot afternoon cutting grass. The mower wouldn't stay running at the end, and Cricket came over and finished cutting the grass for me with his mower.*

He will be missed.

I used to sit with him on the mower. It was the best of times! Thank you for sharing.
