“ *My heart breaks, but now I'll hold you in my heart forever. The special memories I have with you will always bring a smile to my face. You meant the world to me, and taught me how to become a woman. Yes, you were labeled as my sister-in-law but I looked at you as my sister and one of my best friends. Without you, I wouldn't know how to be a strong independent woman, wife, and mother. You loved me unconditionally and loved my children, husband, and grandchildren with the same amount of love. I would do anything to spend just one more moment with you. The amount of words will never express how much I love and miss you.*

*Love,
Diane*
