“ Terry was a dear friend of mine in high school (I went to Portage, he went to Hobart) and at Indiana U. We both loved music and theater and enjoyed sharing those experiences for the years we spent together. I still remember his beautiful smile and infectious laugh. I'm sorry I lost touch as I moved to the Pacific NW with my husband and raised our family there. Sincere condolences.. Terry, may you be surrounded in love and light forever. The memory of you will always make me smile.

“ Terry & I were neighborhood friends. We had a lot of adventures together, like crawling through the weeds at the end of our street to steal some grapes from the vine at a house on Michigan Ave. We rode bikes together around the 'little block' & even around the 'big block'. He was a good friend. We'd take our nickels & dimes & ride to Pavel's store, buy a Popsicle and split it in two and share. The last time I saw him was about 6 or 7 years ago when we had a yard sale before selling our family home. It was good to see him once more. To Terry's family, I am so sorry for your loss. May he rest in peace.

Terry and I were inseparable friends growing up. We ride our bikes to Liberty, school, build igloos when we had heavy snows. Draw targets on old Harry Carson's underwear, when they were hanging on the clothesline, running home to our individual homes to call each other on the new dial phones were installed.

Terry was very talented in music and voice. A very talented guy and a lot of fun growing up. He had a great sense of humor.

You will be missed, Terry.

Look me up when I follow you up to Heaven, dear friend.

“*Dear David Family - I went to grade school with Terry and we'd walk home together (with Rich Burbee) once in a while. I have been thinking about him recently and don't know why. I was thinking of looking him up the next time I was in town.*

I remember us laughing a lot.

I would run into him once in a while when I still lived there.

I am so sorry for your loss. He was just a 'nice guy'.
