# Tribute Wall

“ Maddy and so many other friends in Munich helped me get a doctorate in theology. This doctorate allowed me to facilitate 600 adoptions from Latin America into the U.S. and Canada. Maddy has a share in whatever good I have done in my life.

“ Terry will always keep a place in my heart. Driving thru Dallas and grabbing a burger late at night saying \"Hey no one will know SO just forget about it \"

*Pam I love you guys both and if there is anything you need simply call. You are an amazing person.*###imported-begin###David F Ricci###imported-end##
