“ My dad was a one of a kind person. He had a great sense of humor, a love of adventure, and a natural warmth that radiated out to all around him. Everywhere we went, he had friends. He loved his family and he took care of those in need. He lived life to the fullest and celebrated as much as he could. I still cannot believe we have lost him. Thank you for all your support.

“ *I love you guys and am so sorry for your (our) loss. Cousins are special. I will always remember that wonderful smile of Terry's. Since we all lived so far away from each other and didn't get to spend a lot of time together, we always enjoyed the time we did have together. Terry left us way too soon.*

“ *My brother was one of a kind, everyone who met him loved him. He lived life to the fullest and always said, life is too short live it while you can, and that he did. He loved boating and feeling the wind blow through his hair and the sun on his face. He enjoyed life every day. If only we could have had you on this earth a little while longer. We will miss you little brother.*
