“ We had no idea about this, and actually needed him to make a sign which is how we stumbled onto this soul-crushing news. Having met Ted decades ago, we grew so close to him as we were repeat customers, utilizing his wonderful services through Signs by Design. We went to Blackhawk Hockey games with him during the Championship era and spoke often about our mutual love of the sport. We watched Nikki grow from a little girl to the wonderful young lady she is today because he would always bring her with him when he came over to our shop. We are truly heartbroken for Nikki and all of his beloved family. Our prayers are with you through this time... so so sorry for this monumental loss... We miss you Ted... Sincerely, Aras and Sandy
