“ I am so sorry not to be able to be there with my family to share memories of Theresa. She always challenged us in many ways. She loved us in many ways. She had a big, big heart.

“ Theresa has been part of our family for over 25 years and we were so blessed to have her in our lives. She will be truly missed. We are glad that she was able to go back to Indiana to spend time with her family but our celebrations were not the same without her.

“ *When I met her the very first time she had much to share with me we talked the whole time....we laughed....and of course I shed a few tears.....but she was always willing to guide me through my rough times. I only wish I could have been able to do the same. She will be greatly missed not only by Family....but also by Friends....R.I.P.*

“ *Such great childhood memories of Theresa watching us when mom & dad went on bowling tournament weekends; from the playground at Camelot to riding our bikes in the street to listening to Theresa's albums (I still love the BeeGee's and Barry Manilow). She will be missed but she's in great company. RIP my cousin!*
