“ My first college roommate was Karen Devitt in 1974. Karen was so loved by her parents, and they shared their love with me too inside Rogers Hall at Ball State. Apple pies, drinks, sweets were common thanks to the Devitt's generosity ! I was lucky to be invited home with Karen to the region and was thrilled to receive such a warm welcome. Theresa served me a Peach Schnapps cocktail - my first official cocktail as an eighteen year old. What a hoot of a mom! I will never forget how adorable Karen's family was and I felt blessed to have known them and to be a bridesmaid at Karen's and Jim's wedding. God bless Theresa's soul. May Theresa see Ed again, and have all of her Italian family surround her at a big party in the sky. The good Lord picked a beautiful flower to welcome her home to eternal life. Teresa was loved, as much as she loved everyone who came her way.
