“ I had the privilege of working at the 309 terminal of YRC during the time Theresa was there. She was in management and i was in the union. She always seemed to have a smile. She took her job seriously, but was able to share some humor from time to time. It was a pleasure to have worked with her. So sorry to hear about her passing. She was a good, kind person.

“ Ill never forget my first meeting with Theresa Mann. It was 1990 in Yokosuska Japan. We were in the Navy. I was active duty and she came as a reservist with a group. I was tasked with handling security clearances for the group and when I saw how many there were I said, "Oh man." She looked at me, smiled that beautiful smile and said, "Yes, but you can call me Theresa!" Instant friends.
