“ Theresa will be dearly missed by our family. She has touched all of our lives in a way only the kindest of all people can. She was my sis-in-law for almost 30yrs and I'm grateful to have known her, and for the opportunity to be a part of this incredible persons life. She was an avid gardener who could grow amazing things with an eye for beauty. She was a Sister, a Mother, an Aunt, a Grandmother, and one of Colleens best friends. She was a woman of enduring strength, and bravery, in the battle with her illness. I love her for all the ways she touched our family over the years. I love all of my wifes sisters, however, the world just seems a little more empty these days without Theresa in it. Everyone should have in-laws like I've had the pleasure of having all these years. I'm proud to have known her and been a part of her life.
Theresa, I love you, and I'll miss you always.
With Love, Greg D.
