“ It was a pleasure being his friend for so many years. Tom always had a great sense of humor and really did the little things that define friendship. He will be missed! Our deepest condolences to Karen and the family. We are so sorry we missed the service since we were out of town.

“ I will always remember the first time Tom came in for a massage. It was early December. After his massage he walked back to Dairy Queen and came back to bring me a DQ ice cream cone ornament for my tree. I will always cherish that and his many stories from his travels with US Steel.

“ He was always larger than life to me. Those memories go a LONG way back to my pre-teen years, but he is there, and he like so many from back in the neighborhood, played an integral part in my growing up. I am honored to have known him!
