“ So so many great and some not so great memories of my Daddy come to mind, he is the best man I know and no one could ever compare, I can only hope my boys learned a few things from the most loving, honest (sometimes too honest), funny, kind hearted man, that I am proud to call my Dad!!! RIP Dad, I'll see you again when I get home... Give Mikey a big hug from me...

A gentle sweet man with a true gift for creating magical gardens out of thin air, duct tape and anything else he could find.

I am blessed with many memories of his kind and loving ways. He will be missed by many. I am glad I got to visit with him the last two trips that way. It will be sad next trip not being able to.
