“ I admired Tom greatly; he had the work ethic, but more than that he was a compassionate human being. Tom always did "the next right thing." He lived life a day at a time and was the first to quip a joke. His quick wit was adorable. We all lost one of the best with his passing, now almost 3 years ago. Tom will always be greatly missed.

“ I worked with Tom, so I was one of the lucky ones who experienced his absolute devotion. He gave of himself -- God blessed his family and friends.##imported-begin##Tony Logan##imported-end##
