“ *Sending lots of prayers to the family. I was able to meet Tom this past summer— he grew up next door to my grandparents and dad on Polk street and we exchanged pictures and stories. I even had a picture of his grandparents with my great grandparents . May he rest in peace and his memory live on ❤️ Laura Sopko*

I'm so sorry to hear of Tom's passing. I have many fond memories of him as we walked home from school. We lost touch after high school, but I enjoyed following his travels and viewing his many beautiful plants. RIP, Tom!
