“ One time when we were young Uncle Tommy said never sleep with your mouth open or a spider will make a web over it, and his demonstration of that made us all laugh and from that we made sure our mouths stayed shut sleeping. Your comedy was like dad's always keeping us rolling even when you were tired. Please enjoy *The Pasture Grass* and *We'll See you later* 👉❤️ I love you and will miss you Uncle Tommy. Say Hi to Aunt for me and tell her I said Aunt. She'll get it.

“ Sorry for your loss. Will always remember him and his wife coming to the bowling alley. Whether to watch us bowl or for him to sub for someone. It was a pleasure to have meet both.
