“ Tommy was a protector of Odin. He had a heart of gold. I liked him the moment I met him. He always took care of me as I tried to care for him. The world is not the same without you in it, Tommy, and I am so glad I knew you. We'll meet again in Valhalla.  
I just donated \$100. in memory of Tommy to Community Avtion Partnership of Sonoma County. Tommy was always willing to help anyone. With the donation, he can still help those struggling.  
Soldier of Odin, well done, thy glorious battle is over. And, thou art crowned at last.  
Love and prayers to Tommy's beautiful family.
