“ I'll never forget walking home from Melton school, and always having Tommy sitting in the front yard in his lawn chair with ol' Petey. He always said 'hello Joey' and wanted to know if I learned anything that day...

I did Tommy Alfred, I did. ;-) I'll never forget you.

“ Our thoughts and prayers to Betty, Kurt, Greg and the entire Cartwright family.

Tommy was a great man and we will all miss him very much. I loved his stories and jokes and could listen to him for hours - even as Betty would be trying to get him to go home. I will miss our conversations and smile whenever I think of him. What a colorful life he lived. I feel privileged and honored to have known him. A fantastic husband, father, grandfather and just plain good friend. He never asked for much, but always gave plenty. My nephew said it best: "yes we are sad by Tommy's passing; however, our sadness just shows you what a tremendous positive impact he had on all our lives and how fortunate we were to have shared part of our lives with him". RIP Tommy - we love you.

“ I have many: Tommy was witty, intense, feisty, lover of blues, bluegrass, and gospel music, enjoyed sports, was a phone buddy, a fellow traveler on occasion, a dancer, story teller, a friend who was proud of his family, and most of a fellow Kentuckian. Missing Tommy already, and sending hugs to Betty, Kurt, and Greg and the entire family.
