“ We are sending our sincere condolences to Tracie's family. Bill and Cookie, I have such fond memories of you, Tracie and Jennifer. Bill, I first got to know you when I was hired to work at the Crown Point Police Department, then Cookie came in with the children and we hit it off immediately. I looked forward to the periodic visits with them. Tracie was a lot of fun to be with and so fun loving, but also had a serious side as well.
I feel blessed to have had the privilege of knowing you all. Bill and Cookie, prayers are with you all in your time of sorrow. Tracie has not left us, she has left her footprints on our hearts and has walked on. May your sorrow be short and your memories long to accompany her on her voyage.

Sincerely,

Ralph and Marilyn Einspahr
