“ Have some fun great memories with Tracy. One of my favorites was when we went to davenport iowa so she could see the kids.got lost.stopped at every Harley dealership in route and then working with her laying cable line for awhile. Boy if that wasent a site to see. She always had that big smile on her face unless she was mad and then holey hell stand back cause she could throw a.punch. So sorry for the familys loss. My heart and prayers go out to all of you

“ So many memories. Working the polls for Faye, R-way skating and overnights. Parties and fun. We were close once, even our kids are related. After everything we went through, 40 years later we'd still chat. Fly high Tracy, until we meet again.
