“ I'll miss Trent dearly. It's so surreal to be posting on his obituary. I'm truly at a loss for words and I'm praying for his family, especially Ava.

This is how I'll remember him. Ridiculous. Him and Caine flexing at my open house. Love you Trent. ❤️❤️❤️

“ I'm so sorry! I will be at a conference and unable to attend. But, having taught Trent in 8th grade, I have so many memories of Trent. So full of life and joy. I remember his name means torrent—and that's what he was. He filled the space when he came into a room. Such a delight. I remember laughing so much with Trent. Praying such comfort for the family, especially his little girl—I can't imagine your pain but I can pray you will be held through it.
