“ I just remember you as a kind and gentle person. I did not know your real name, nor did I know what you looked like, but when I saw your portrait, I felt your generosity as if the name GoldLion were an image of you.

To the family, my heart is very upset at the sudden news of his passing, but I believe his soul will be happy once he returns to the source of light.

I hope the bereaved family finds peace in their hearts.

Thank you, Troy, for all the wonderful memories.

“ A mon amour éternel,

Quand un être cher devient un souvenir, ce souvenir devient un trésor . Si les larmes pouvaient construire un escalier et les souvenirs un chemin, je monterais droit au ciel et te ramènerais avec moi.

Même s'il est difficile aujourd'hui de voir au-delà du chagrin, puisse le souvenir te reconforter demain. Ses mots Je t'aime resteront à jamais graver dans mon cœur ❤️.. mon ange à jamais JE T'AIME

“ Troy/GL,

You were a good player and a cool & tenacious person. Much respect. Rest in peace, my friend.

To the family, friends, loved ones, and his girlfriend: my heartfelt condolences. From what I understand, it was a life well lived of a person well loved. He was building towards his next chapter, never resting on his laurels. I hope you all find peace in that. God bless.
