“*Felicia, Joanne & family. Am saddened to hear of the passing of your mom. We were California St neighbors. I always remember her as being so kind & sweet. Always smiling and making me feel she was happy to see me, even as an adult. When I drive by California St, I always thought of her. May she rest in peace. Hope it helps, in some small way, to know others are thinking of you during this time.*

“*Sending prayers and hugs to the family. I just remember her as a quiet sweet person only meeting her a couple of years ago at family gatherings at Jon's. I do know you all loved her very much. And she will be missed.*
